MUST READ

Corrections for my translation:

yu ling shi=spirit master
hairy ball=hairball

That is all i guess sorry for the mistake.

If there is more mistake plx tell me in comment.

In the world of <<Spirit Master>>,it is actually form with island
Unlimited of island floating around,the island currently discovered by people divided into nine they used floating boat to get to other island
东极岛
eastpole island
白狮岛white bird
Like me started in east mist island,belongs to first type, however east HQ is at type 2.
east mist island
东雾岛

The higher it is,the wild is more frightening,it is hard for normal human to live in.

Becuase of spirit master, human can expand the living space in new island.

I must say that,me as a artist is really smart.
Changing into this outfit looks handsome,but...
Meow!
But this hea got no hope I should have not make him bals
The ship is currently open up a test for to test spirit,go for it if you needed it
嗬，正好。

Stupid Tiger after consuming treaure ,plx evolve into powerful
Move!
啪
二星使灵
老大
跟班
跟班
How dare you block wang boss road
eh,wang Hua Qi 'old acquaintance' ah.
Kid,You don't have eyes ar!
sor...sorry

对不起！
喏，你惹到咱们黄大哥了！
Originaly, Wang Xiao Ming knew them on the ship...
and treat him like a boss, it is worst than dark history.
去测试属性啦，笨蛋老虎。
ha,plx don't offend me,if not ...

There is no one can save you now!
whats wrong boss?
怎么啦大哥？
是不是要砍谁大哥？
feeling good today I will let you go!
That bald head guy the more I look at it the more I like him,should I keep him
你说砍谁就砍谁，大哥！
没问题的，大哥

In this <<spirit Master>> world,there is numerous way to test spirit.....
Swallowing spirit and digesting it out
Letting spirit scare and predict it.
And there is monster on the and beat you till there is a bucket of blood
Wish you luck, stupid tiger.

Glowing jellyfish?
It is rare to see this.
Oh~
